To download YouTube videos in high-quality I use the EREE add-on in Firefox 'Download YouTube Videos as MP4.. So if you want an extremely limited and equally extremely overpriced program today is your day.. And to get decent quality you apparently have to go to the ultimate version of this program.

## save

Hoped that for this price you would be able to download BBC iPlayer video, but no it could not even download YouTube videos at high quality.. #2 Wow, the first thing, I saw, was the price tag - for a piece of software, I can get even better as freeware/open source).. And to get decent quality you apparently have to go to the ultimate version of this program.. Otherwise, it would be easier to use the software available for most hand held camcorders.. And then, I still have to upgrade it, if I want to work with HD Off course, I want it to handle HD. [Adcock Shipley 2s Manual](#)
